## **Igneo's Joint Venture with E.ON for Accelerated High Speed Broadband Rollout**

**Florian Harder**  
M&A Partner & Head  
of the German Offices

“

E.ON and Igneo establish a joint venture for accelerated high-speed broadband rollout in Germany.”

Shearman & Sterling advised Igneo Infrastructure Partners, as part of the First Sentier Investors Group, on the closing of the establishment of a joint venture with E.ON SE for the rollout of high-speed broadband infrastructure in Germany.
